

PROMOTIONAL USE LICENSE

FREE BEAT - NON-EXCLUSIVE - NON-COMMERCIAL

This Promotional Use License (the Agreement) applies to the free beat selected and downloaded from the Will537 store (the Beat). The licensor is Williestyles Multi-Media Group LLC, professionally known as Will537 (the Producer). The person downloading the Beat is the Licensee. By downloading, accessing, or using the Beat, Licensee confirms acceptance of this Agreement.

1. License Grant

Producer grants Licensee a limited, non-exclusive, non-transferable license to create one (1) new song by recording original vocals and/or lyrics over the Beat (the New Song). This license is for promotional, non-commercial use only and remains valid only while Licensee complies with every term below.

2. Permitted Promotional Uses

Licensee may:

- Record and privately share one demo using the Beat.
- Post the New Song on non-monetized YouTube, SoundCloud, Audiomack, social-media, or personal portfolio pages.
- Offer the New Song as a free download, provided no payment, donation, subscription, or other consideration is required.
- Perform the New Song at unpaid showcases, open mics, or other strictly non-commercial events.
- Send the New Song privately to artists, managers, labels, publishers, or other industry contacts for evaluation.

3. Uses Not Included

This free license does not permit Licensee to:

- Monetize the New Song or earn revenue from streams, video views, downloads, subscriptions, performances, advertising, sponsorships, or any other source.
- Commercially distribute the New Song through Spotify, Apple Music, Amazon Music, TIDAL, Deezer, or any other paid or royalty-generating service.
- Sell, lease, sublicense, transfer, share, upload, or distribute the Beat by itself, or claim the Beat as Licensee's original production.
- Register the Beat or New Song with YouTube Content ID, Meta Rights Manager, TikTok Rights Manager, Audible Magic, or any similar fingerprinting or rights-management system.
- Use the Beat or New Song in paid advertising, film, television, games, apps, podcasts, merchandise, NFTs, political content, or other commercial synchronization.
- Allow any third party to sample, remix, extract, or reuse the Beat.

COMMERCIAL RELEASE OR MONETIZATION REQUIRES A PAID WILL537 LICENSE BEFORE THAT USE BEGINS.

4. Producer Credit

Licensee must display the credit "Prod. by Will537" wherever the New Song is posted, described, performed, or shared, including titles, descriptions, captions, metadata, and liner notes where supported.

5. Ownership

Producer retains all right, title, and interest in the Beat, including the underlying musical composition and the Beat recording. No copyright ownership is sold or assigned. Licensee retains ownership of Licensee's original lyrics and vocal performance, subject to Producer's ownership of the Beat. This Agreement does not create a partnership, joint venture, employment relationship, or work-made-for-hire arrangement.

6. Non-Exclusive License

The Beat remains non-exclusive. Producer may continue to display, license, sell, modify, or otherwise use the Beat and may grant rights in it to any number of other parties, including an exclusive purchaser.

7. No Registration Against Producer

Licensee may not register or claim ownership of the Beat itself with the U.S. Copyright Office, any performing-rights organization, distributor, publishing administrator, or other rights registry. If Licensee later obtains a paid commercial license, any permitted registrations must accurately identify Producer and follow that paid license.

8. Upgrade to Commercial Use

Before any sale, monetization, paid performance, paid promotion, commercial distribution, or revenue-generating use, Licensee must obtain an applicable paid license from Will537. The paid license then governs future permitted use; it does not erase liability for unauthorized commercial use that occurred beforehand.

9. Breach and Termination

This license terminates automatically upon breach. After termination, Licensee must immediately stop using the Beat and, within forty-eight (48) hours of notice, remove the New Song and all copies under Licensee's control from public platforms. Producer retains all rights and remedies available by law.

10. No Warranties; Limitation

The Beat is provided "as is." To the maximum extent permitted by law, Producer disclaims warranties not expressly stated here and will not be liable for indirect, incidental, special, consequential, or punitive damages arising from Licensee's use of the Beat.

11. Governing Law and Entire Agreement

This Agreement is governed by the laws of the State of New York, without regard to conflict-of-law rules. It is the complete agreement for free promotional use of the Beat and may be modified only in a written document issued by Producer. If any provision is unenforceable, the remaining provisions remain in effect.

12. Electronic Acceptance

No handwritten signature is required. Downloading, accessing, or using the Beat constitutes Licensee's electronic acceptance of this Agreement. The Beat title and the download record identify the licensed Beat and the effective date.
